RESTART FILLED WITH UPSETS AGAIN!

We only managed an average 4.5 correct this week, proving how hard it is to pick a winner with all the changes and different venues.

Not so for Peter Marotta, he picked 9 from Queensland! He rang me with his tips while sunning himself in the warm climate and nailed all 9 games. Quite an achievement and worthy of the \$20 prize, should be more for that effort.

His nearest rivals were Misty and Bryan with a why, who both picked 7, not too shabby either.

KO 3 COMP IS OVER..WHODA THUNK?

Unfortunately of the remaining 3 KO'sters two of them managed to knock themselves out by picking Brisbane to beat the Hawks, what were they thinking? Didn't they know that the Hawks were acclimatised to

the Tassie weather and Brisbane would snap freeze when they ran out? Anyway there is only the winner left with a huge smile on his dial and a fist full of dollars. Well done me. Oops I mean Dave, who was able to pick the safer option of Geelong beating the Kangas and marched away with the loot.

LOCAL FOOTY

This week Monbulk is back on the paddock and heading over to Avonsleigh to take on Emerald in their round 15 clash. Unfortunately with the current restrictions as I write spectators will not be allowed at the game. Thanks Grant for that info. The next round we are away to Seville so hopefully by the time we have back to back home games against Belgrave then Gembrook we will be allowed to show up and support our teams before they head into the finals.

WHAT IS THAT QR CODE?

I know you are wondering what the QR code is under the ladder. No, the government doesn't want you to log in before you read D on D! (though they probably should). If you use a QR scanner on your device it takes you to the latest edition of D on D on the Monbulk RSL website. How about that!

JOKES OF THE WEEK

Talking dog for sale

A guy spots a sign outside a house that reads "Talking Dog for Sale." Intrigued, he walks in.

"So what have you done with your life?" he asks the dog.

"I've led a very full life," says the dog. "I lived in the Alps rescuing avalanche victims. Then I served my country in Iraq. And now I spend my days reading to the residents of a retirement home." The guy is flabbergasted. He asks the dog's owner, "Why on earth would you want to get rid of an incredible dog like that?"

The owner says, "Because he's a liar! He never did any of that!"

Stereotypes in real life

A ventriloquist is performing with his dummy on his lap. He's telling a dumb-blonde joke when a young platinum-haired beauty jumps to her feet. "What gives you the right to stereotype blondes that way?" she demands. "What does hair color have to do with my worth as a human being?" Flustered, the ventriloquist begins to stammer out an apology. "You keep out of this!" she yells. "I'm talking to that little jerk on your knee!"

INTERVIEW

This week I thought I should catch up with the two blokes who ko'd themselves, Pete and Artie.

D on D: G'day fellas, how are you going?

A: How do you reckon? You mongrel.

P: What he said.

D on D: But why did you pick that game? There were easier ones.

P: Because we couldn't pick Carlton to lose.

A: What he said.

D on D: But they didn't.

A: It was them or Collingwood or Fremantle.

D on D: They all won.

P: Yep.

D on D: I don't think you were meant to win you two.

A: I did better than the first 2 KO comps.

D on D: True that.

P: And so did I.

D on D: Yes, you did too. Maybe you will do better in the finals tipping?

A: Gonna kick your freckle in that!

P: What he said.

D on D: Maybe you will, but remember they will be played at different venues so it will be hard.

P: I'm up for the challenge....I think.

A: I think too!

D on D: I'm pleased to hear that Artie. Thanks for your time you two.

P & A: You are welcome...mongrel.
