Presidents Report

Welcome to 2016. We had our AGM on the 8th February 2016 and I am pleased to accept the position of President for another term.

Paul Bennett remains as Treasurer and we congratulate and welcome Mathew Bull for standing for Secretary, duly elected.

I would like to thank Phil Rundle for his time as Secretary and his valuable input and hard work for the RSL.

John Surridge is Vice President, Case Broekhof Jr. Vice President, Pete Frazer Membership Manager, Ted Beard, bar and grants, Craig Van Den Berg, Social media and Dave Aitken, newsletter editor and along with wife Jill and Artie Skipper the football tipping competition.

We have major works to be carried out in the kitchen as the old white ants are very active and eating their way through the floor and part of the architrave. As Anzac day

is not too far away, we will have to have a few working bees to replace the floor and any other damage done.

John is still arranging the replacement of the roof, also by Anzac day.

Over the past few weeks we have done a lot of work to the RSL hall.

The floor in the kitchen has been removed due to the termite problem and Kevin Rogers has replaced the old gal pipe from the water meter for the new hot water service.

The ramp for the disabled access is also being concreted ready for Anzac Day.

There is still a lot of work to be done to make the hall ready so all volunteers will be welcomed with open arms.

I will also be arranging and organizing for Anzac day, including the sale of Anzac tokens. If anyone is unable to help with the hall perhaps they could

help with the sale of tokens?

I am looking forward to another great year at the RSL, enjoying the company of all the members and the activities that will happen through the year which will include the families of members.

We are pleased to announce that amongst our guests on ANZAC Day will be James Merlino, Deputy Premier, for our Dawn Service and Cr Len Cox from the Yarra Ranges Council will attend our morning service.

Best regards to all.

Bill Ford.
